

WD-40®

INDUSTRIAL SOLUTIONS

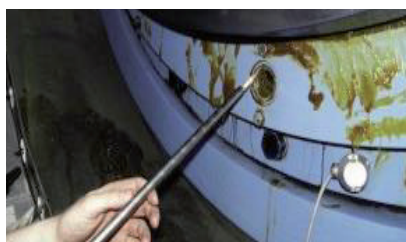

WIND TURBINES

Wind turbines represent a large investment for companies that rely on them, and preventive maintenance strategies and quality products are important to protecting that investment. WD-40 Specialist® products are formulated for maintenance applications that call for only the best, and are from a company you've trusted for more than 65 years.

WD-40 SPECIALIST CLEANER & DEGREASER

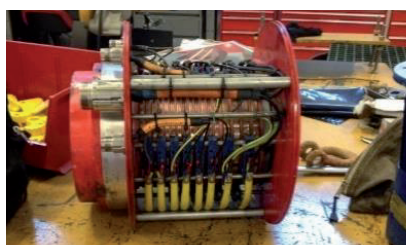

- Quickly breaks down grease and grime on blades and brakes
- Powerful, yet safe on sensitive surfaces such as brake pads
- Removes dust in the hub, nacelle and transformer
- Water-based, non-flammable and leaves no residue
