

No matter what you're into, Lava® get's it out.

Originally developed in 1893, Lava is one of the best-known heavy-duty hand cleaners in the world. Over the years, Lava has earned a reputation as the brand to use on extremely dirty hands. Whether you're a master mechanic or a weekend gardener, you're going to want to get your hands on Lava. Pumice-powered to remove grease, grime, oil, tar, ink, paint, glue, resins, adhesives, caulk, Lava also includes added moisturizers. Tough on dirt. Gentle on hands.
